New saving schemes for private sector employees

3688. SHRI NANA DESHMUKH: Will the Minister of FINANCE be pleased to state:

(a) whether Government propose to bring new saving schemes for private sector employees, so as to bring them at par with Government and Public Sector staff; and

(b) if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI BALASAHEB VIKHE PATIL): (a) and (b) There is no proposal under consideration of the Government for introduction of any new small savings scheme. However, the Government has since notified that the ceiling of Rs. 2 lakh per annum per investor for investments in "8 percent Relief Bonds, 2002" will not apply to investments by retiring employees, including those in the Private Sector, out of their retirement benefits. The entitlement for investment of retirement/terminal benefits will be in addition to the annual limit of Rs. 2 lakh per investor otherwise available for investment. It has also been decided that any other savings attributable to employment can be invested by retiring/retired employees in Relief Bonds without any ceiling.
